On November 1, 2017, Maria Vasquez ("Petitioner"), filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 75).

Petitioner has now filed a motion for attorney's fees and costs, dated October 28, 2020, (ECF No. 80), requesting a total award of \$51,796.86 (representing \$50,642.30 in fees and \$1,154.56 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses (ECF No. 80-4). Respondent reacted to the motion on October 28, 2020, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case and defers to my discretion to determine the amount to be awarded (ECF No. 81). Petitioner filed a reply on October 30, 2020, requesting that the court award all fees and costs requested in Petitioner's application. (ECF No. 82).

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$51,796.86** (representing \$50,642.30 in fees and \$1,154.56 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. **Petitioner's request, the check should be forwarded to Maglio, Christopher & Toale, PA, 1605 Main Street, Suite 710, Sarasota Florida 34236.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
